To the shareholders of the Company

Dear Sir or Madam,

**DISCLOSEABLE TRANSACTION
CONSTRUCTION OF FOUR VESSELS**

On 20th July 2006, the board of directors of Orient Overseas (International) Limited (the "Company") announced that Newcontainer No.36 (Marshall Islands) Shipping Inc., Newcontainer

** For identification only*

No.37 (Marshall Islands) Shipping Inc., Newcontainer No.38 (Marshall Islands) Shipping Inc. and Newcontainer No.39 (Marshall Islands) Shipping Inc., four wholly-owned subsidiaries of the Company, each entered into a contract (individually the “Contract” and together the “Contracts”) on 20th July 2006 with Samsung Heavy Industries Co., Ltd. (“Samsung”), a Korean shipbuilder, for the construction of an approximately 4,500 twenty-foot equivalent unit container vessel (individually the “Vessel” and together the “Vessels”). To the best of the directors’ knowledge, information and belief having made all reasonable enquiries, Samsung, a public listed company in Korea, a third party independent of the Company and the connected persons of the Company as defined in the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”), the Company and the connected persons of the Company are unaware who is Samsung’s ultimate beneficial owner. The value of the Vessels and the total price for the construction of the Vessels is approximately US\$264 million (equivalent to approximately HK\$2,059.2 million). The entering into of the Contracts constitutes a discloseable transaction for the Company under Chapter 14 of the Listing Rules.

The Company is presently arranging finance of the Vessels and expects that finance for about 80% of the purchase price of each Vessel, with the financing guaranteed by the Company, will be finalised in the near future with the balance of the purchase price to be funded from internal resources. Should such finance not be arranged, the full purchase price of each Vessel would come from internal resources. As at 30th June 2006, in the published unaudited results of the Company, the Company and its subsidiaries (the “Group”) had cash and portfolio investments balance of approximately US\$1.1 billion which are sufficient to meet the full purchase price of the Vessels.

The terms of the Contracts were determined on an arm’s length basis and on normal commercial terms (based on price comparable to market price (as published by brokers), payment terms and delivery dates that meet the Company’s requirement and agreed between a willing buyer and a willing seller) and the directors of the Company (the “Directors”), including the Independent Non-Executive Directors, consider them to be fair and reasonable and to be in the interests of the Company and the Shareholders as a whole based on their experience in the container shipping industry. The contract price of each Vessel is payable in five instalments. The first instalment is payable within three days upon signing of the respective Contracts, the second and the third instalments are payable within six months and eighteen months respectively after signing of the respective Contracts, the fourth instalment is payable upon keel laying of each Vessel and the last instalment is payable upon delivery of each Vessel. The first three Vessels are expected to be delivered in the second quarter of 2010 and the fourth Vessel is expected to be delivered in the third quarter of 2010.

The principal business of the Group is container transport and logistics services, ports and terminals and property development and investment. The Contracts have been entered into for the purposes of improving the quality of service which the Group provides to its customers. It is the view of the Directors that ownership of the Vessels will improve both the operating efficiency and profitability of the Group. The Group’s fixed assets will increase by approximately US\$264 million following the delivery of the Vessels, whilst current assets will decrease and long-term liabilities will increase depending on the proportion of the purchase price funded from internal resources and external finance.

For the purposes of the Listing Rules, the construction of the Vessels constitutes a discloseable transaction for the Company.

This document constitutes the circular which the Company is required to send to you pursuant to the Listing Rules in respect of the construction of the Vessels.

Your attention is drawn to the information set out in the Appendix to this Circular.

Yours faithfully,
By order of the Board
Chee Chen Tung
Chairman
