INTRODUCTION

The Joint Offerors and OOIL jointly announce on 7 July 2017 that UBS, on behalf of the Joint Offerors, firmly intends to make a voluntary general offer to acquire all of the issued OOIL Shares held by Qualifying OOIL Shareholders on the terms set out in this announcement, subject to the satisfaction or waiver of the Pre-Conditions.

THE VOLUNTARY GENERAL CASH OFFER

The Offer will be made on the following basis:

For each OOIL Share HK\$78.67 in cash

The Offer will be extended to all Qualifying OOIL Shareholders in accordance with the Code. OOIL Shares to be acquired under the Offer shall be fully paid and shall be acquired free from all liens, charges, encumbrances, rights of pre-emption and any other third party rights of any nature and together with all rights attaching to them as at the Offer Closing Date.

CONSIDERATION AND FINANCING

Assuming that the Offer is accepted in full, the financial resources required by the Joint Offerors to satisfy the consideration payable under the Offer will amount to approximately HK\$49,231.2 million. As at the date of this announcement, COSCO SHIPPING Offeror is financing the entire amount of the consideration from external debt financing, SIPG Offeror will contribute its portion of the consideration as set out in the section headed "Consortium Agreement - Allocation Proportion" below from external debt financing and/or internal resources, in which case COSCO SHIPPING Offeror's contribution to the consideration will reduce proportionately. UBS, financial adviser to the Joint Offerors, is satisfied that sufficient financial resources are available to COSCO SHIPPING Offeror to satisfy full acceptance of the Offer.

PRE-CONDITIONS TO THE OFFER

The making of the Offer is subject to the satisfaction or waiver of the following Pre-Conditions by the Pre-Conditions Long Stop Date:

- (a) with respect to anti-trust review in the PRC under the Anti-Monopoly Law of the PRC, the Anti-Monopoly Bureau of MOFCOM having made the decision not to conduct further review of the Offer or allowing the Offer to proceed or the Offer having been deemed to have been cleared by MOFCOM under the Anti-Monopoly Law of the PRC by virtue of all applicable waiting periods under the Anti-Monopoly Law of the PRC, in respect of the review of the Offer, having expired;
- (b) with respect to COSCO SHIPPING Offeror, the obtaining of approvals or authorisations from the NDRC, SASAC (if required) and SAFE (if required) in connection with the Offer;
- (c) with respect to anti-trust review in the EU under the EU Merger Regulation, the European Commission having made a decision to allow the Offer to proceed;
- (d) with respect to anti-trust review in the USA under the United States Hart-Scott-Rodino Antitrust Improvements Act of 1976 (HSR), as amended, and the regulations thereunder, the expiration or termination of all or any applicable waiting periods (including any extensions thereof) in connection with the Offer; and

- (e) COSCO SHIPPING Holdings Shareholders passing resolutions at a general meeting to approve the Offer in accordance with the requirements under the Listing Rules and the material asset restructuring in accordance with the “Administrative Measures for the Major Asset Restructuring of Listed Companies” (《上市公司重大資產重組管理辦法》) issued by the CSRC.

COSCO SHIPPING Offeror shall take all necessary actions to procure all PRC approvals which are necessary for the consummation of the Offer, including but not limited to any approval and authorisation by, and filing and registration with, MOFCOM, NDRC, SAFE (if required), SASAC (if required) and Shanghai Stock Exchange.

The Joint Offerors will take all steps necessary, and OOIL will provide reasonable assistance to the Joint Offerors, to fulfil the Pre-Conditions, provided, however, in respect of Pre-Condition (c), that neither the Joint Offerors nor OOIL shall be required to agree to any term or take any action in connection with the satisfaction of such Pre-Conditions that would reasonably be expected to have, individually or in the aggregate, a material adverse effect on the Joint Offerors or OOIL. The Joint Offerors will do so in consultation with OOIL (including giving OOIL a reasonable opportunity to provide comments on draft copies of all filings, submissions, material correspondence and communications intended to be sent to the relevant governmental or regulatory bodies and to attend any meeting or conference call with such bodies) and keep OOIL updated as to progress towards the satisfaction of the Pre-Conditions.

The Joint Offerors and OOIL will issue a further announcement as soon as practicable after the Pre-Conditions have been satisfied or waived. If the Pre-Conditions are not satisfied or waived on or before the Pre-Conditions Long Stop Date, the Offer will not be made, and a further announcement will be made accordingly.

The Pre-Conditions (except for Pre-Condition (e)) shall be waivable by COSCO SHIPPING Offeror at its sole discretion. Pre-Condition (e) is not waivable.

WARNING: The Pre-Conditions must be satisfied or waived before the making of the Offer. The making of the Offer is therefore a possibility only and all references to the Offer in this announcement are references to the possible Offer which will be implemented if and only if the Pre-Conditions are satisfied or waived. Accordingly, OOIL Shareholders, COSCO SHIPPING Holdings Shareholders and prospective investors are advised to exercise caution when dealing in the securities of OOIL or COSCO SHIPPING Holdings.

CONDITIONS TO THE OFFER

The Offer is subject to the fulfilment of the following Conditions:

- (a) valid acceptances of the Offer being received (and not, where permitted, withdrawn) by 4:00 p.m. on or prior to the Offer Closing Date (or such later time and/or date as the Joint Offerors may decide and the Executive may approve) in respect of such number of OOIL Shares which, together with OOIL Shares already owned or agreed to be acquired before or during the Offer, would result in the Joint Offerors and their Concert Parties holding more than 50 per cent. of the voting rights in OOIL; and
- (b) no dividend or other distribution (whether in cash or in kind) having been declared, made or paid by OOIL to the OOIL Shareholders during the Offer Period (other than (i) any dividend or distribution regarding which OOIL has consulted the Joint Offerors and the amount of which does not exceed 25% of the profit attributable to the equity holders of OOIL for the relevant

period for which such dividend or distribution was declared) and (ii) if any dividend or distribution has been declared, made or paid pursuant to (i), any further dividend or distribution shall be subject to the consent of the Joint Offerors).

Pursuant to Note 2 to Rule 30.1 of the Code, the Joint Offerors may only invoke Condition (b) as a basis for not proceeding with the Offer if the circumstances which give rise to a right to invoke such Condition are of material significance to the Joint Offerors in the context of the Offer.

If the Conditions are not satisfied on or before the Offer Closing Date, the Offer will lapse unless the Offer Period is extended by the Joint Offerors (with the consent of the Executive).

WARNING: Closing of the Offer is subject to the Conditions being fulfilled. Accordingly, the issue of this announcement does not in any way imply that the Offer will be completed. The transactions contemplated by the Offer may or may not proceed. OOIL Shareholders, COSCO SHIPPING Holdings Shareholders and potential investors should therefore exercise caution when dealing in the securities of OOIL or COSCO SHIPPING Holdings.

INTENTIONS OF THE JOINT OFFERORS WITH REGARD TO OOIL

Container shipping business will remain COSCO SHIPPING Offeror Group's most important core businesses and most important strategic focus. After the completion of the Offer, the Joint Offerors intend to retain the listing status of OOIL, and maintain OOIL's global headquarters functions and presence in Hong Kong and continue to support Hong Kong as a global maritime center. The Joint Offerors are committed to the continuity and stability of OOIL management team, business, operations, and global service network as a whole after closing of the Offer. As such, the Joint Offerors intend to keep the existing OOIL branding so that the Joint Offerors and OOIL can provide customers with more diversified product offerings and better service experience, as both parties explore ways to achieve synergies and better operational efficiency.

Further, while keeping OOIL management teams and global service network, the Joint Offerors shall retain the existing compensation and benefit system at OOIL and not terminate the employment of any Employee at OOIL as a result of this transaction for at least 24 months after the Offer Closing Date, except for staff movements which are part of the normal conduct of business or due to personal performance or conduct issues. OOIL shall continue its current human resources practice and staff performance measurement, and monitor key performance indicators for operational efficiency and business growth.

MAINTAINING THE LISTING STATUS OF OOIL

The Joint Offerors intend to maintain the listing of OOIL Shares on the Stock Exchange following closing of the Offer.

There is a possibility that the public will hold less than 25 per cent. of OOIL Shares upon closing of the Offer depending on the level of acceptance. In that case, the Joint Offerors intend to take appropriate steps to restore the public float in compliance with the Listing Rules.

If less than 25 per cent. of OOIL Shares are held by the public or if the Stock Exchange believes (i) that a false market exists or may exist in the trading of OOIL Shares or (ii) that there are insufficient OOIL Shares in public hands to maintain an orderly market, the Stock Exchange may consider exercising its

discretion to suspend trading in OOIL Shares. In such connection, the Joint Offerors and OOIL undertake to the Stock Exchange to take appropriate steps to ensure restoration of the minimum percentage of OOIL Shares to public hands within a specified period which is acceptable to the Stock Exchange.

The Joint Offerors do not intend to exercise any rights to compulsorily acquire any OOIL Shares in respect of which the Offer is not accepted.

Further details of the Offer are set out in Part A of this announcement.

IRREVOCABLE UNDERTAKING TO ACCEPT THE OFFER

On 7 July 2017, COSCO SHIPPING Offeror, COSCO SHIPPING Holdings, China COSCO SHIPPING and the Controlling Shareholder entered into the Irrevocable Undertaking under which the Controlling Shareholder has irrevocably undertaken to accept, or procure the acceptance of, the Offer in respect of all of the IU Shares (being 429,950,088 OOIL Shares) owned by them, such IU Shares representing approximately 68.7 per cent. of the issued share capital of OOIL as at the Last Trading Date. The Irrevocable Undertaking is subject to the following conditions:

- (a) the offer price under the Offer being not less than HK\$78.67 per OOIL Share; and
- (b) the Offer being made within 7 days of the fulfilment or waiver (as applicable) of the Pre-Conditions, which fulfilment or waiver (as applicable) shall occur by no later than 30 June 2018 (unless otherwise agreed between the parties).

Further details of the Irrevocable Undertaking are set out in Part B of this announcement.

REVERSE TERMINATION FEE

COSCO SHIPPING Offeror has agreed, and China COSCO SHIPPING and COSCO SHIPPING Holdings have agreed to procure COSCO SHIPPING Offeror, to pay to OOIL a reverse termination fee of US\$253 million in the event that the Offer is not made or does not close ("the "Event") for any reason other than due to (i) the Controlling Shareholder's material breach of the Irrevocable Undertaking; or (ii) the non-fulfilment by the Pre-Conditions Long Stop Date of the Pre-Conditions with respect to the PRC, European Union anti-trust clearance and HSR approval as referred to in paragraphs (a), (c) and (d) of the section headed "3. Pre-Conditions to the Offer" in Part A of this announcement; or (iii) the non-fulfilment of the requirements of the Committee on Foreign Investment in the United States, such payment to be made within 14 days of such Event. The reverse termination fee shall be made by COSCO SHIPPING Offeror to OOIL without the withholding or deduction of any tax unless required by law. If any such withholding or deduction is required, COSCO SHIPPING Offeror shall pay to OOIL such additional amount as will ensure that OOIL receives the same total amount that it would have received if no such withholding or deduction had been required.

ALLOCATION BETWEEN JOINT OFFERORS

The Joint Offerors have agreed to acquire the OOIL Shares tendered for acceptance by Qualifying OOIL Shareholders pursuant to and in accordance with the terms of the Offer in the following proportion:

<i>OOIL Shares to be acquired under the Offer</i>	<i>Acquirer of the OOIL Shares and the proportion</i>
For the 429,950,088 OOIL Shares to be validly tendered for acceptance under the Offer pursuant to the Irrevocable Undertaking, representing approximately 68.7% of the issued share capital of the OOIL	9.9% to SIPG Offeror (representing 61,953,536 OOIL Shares) 58.8% to COSCO SHIPPING Offeror (representing 367,996,552 OOIL Shares)
For the remaining OOIL Shares to be validly tendered for acceptance under the Offer	100% to COSCO SHIPPING Offeror

SIPG Offeror will proceed with the Offer unless it cannot obtain SAFE approval for the relevant funds to be remitted from the PRC to pay for its consideration under the Offer.

UNDERTAKING BY SIPG OFFEROR

SIPG Offeror undertakes to use its best endeavours to provide sufficient financial resources according to its proportion of allocation of OOIL Shares to validly tendered acceptance as set out above.

UNDERTAKING BY COSCO SHIPPING OFFEROR

If SIPG Offeror does not have sufficient financial resources to complete the Offer according to its proportion of allocation of OOIL Shares to validly tendered acceptance as set out above due to it not obtaining the requisite SAFE approval for the relevant funds to be remitted from the PRC to pay for its portion of the consideration under the Offer, COSCO SHIPPING Offeror undertakes to complete the Offer in full as if it were the sole offeror for the Offer and for the purposes of this announcement.

INTERESTS IN OOIL SHARES

As at the Latest Trading Date, the Joint Offerors and their Concert Parties do not have any interest in OOIL Shares.

The Independent Board Committee excludes the non-executive OOIL Director who is connected to the Controlling Shareholder.

An independent financial adviser will be appointed by OOIL, subject to the approval of the Independent Board Committee, as soon as reasonably practicable to advise the Independent Board Committee in relation to the terms of the Offer. The advice of the independent financial adviser will be contained in the Composite Document.

WARNING: The Pre-Conditions must be satisfied or waived before the making of the Offer. The making of the Offer is therefore a possibility only and all references to the Offer in this announcement are references to the possible Offer which will be implemented if and only if the Pre-Conditions are satisfied or waived. Accordingly, OOIL Shareholders, COSCO SHIPPING Holdings Shareholders and prospective investors are advised to exercise caution when dealing in the securities of OOIL or COSCO SHIPPING Holdings.

Closing of the Offer is subject to the Condition being fulfilled. Accordingly, the issue of this announcement does not in any way imply that the Offer will be completed. NOTICE TO U.S. HOLDERS OF OOIL SHARES

After the completion of the Offer, the combined COSCO SHIPPING Lines and OOIL will become one of the world's leading container shipping companies with more than 400 vessels and capacity exceeding 2.9 million TEUs including order book. In addition to this increase in scale, both parties will benefit from access to a combined and complementary global sales network and customer base, shipping network optimization, as well as advanced IT systems, to further drive synergies and operational efficiency.

Further, COSCO SHIPPING Holdings believes this transaction is of strategic importance to both OOIL and COSCO SHIPPING Holdings. COSCO SHIPPING Holdings believes that it will create value for its shareholders and customers, and will provide great opportunities for the employees of both companies to thrive on this enhanced platform. After the completion of the Offer, OOIL will continue to strengthen its core business in container shipping, as it becomes part of a larger and enhanced platform within COSCO SHIPPING Holdings Group, and can leverage on COSCO SHIPPING Holdings's global shipping network to drive future growth and synergies.

For the SIPG Offeror Group

SIPG has been the operator of the Port of Shanghai, the world's largest port in terms of container and cargo throughput for several consecutive years since 2010. SIPG Offeror can

bring significant strategic value and synergies to this transaction as one of the Joint Offerors. Both COSCO SHIPPING Holdings and OOIL can potentially benefit from further collaboration between their container shipping businesses and SIPG Offeror Group's port operations, among other things.

In addition, as the OOIL Shares to be acquired by SIPG Offeror contribute to public float, this arrangement can help with the intention to retain the listing status of OOIL, which helps support Hong Kong as a global maritime centre.

12. Intentions of the Joint Offerors with regard to OOIL

Container shipping business will remain COSCO SHIPPING Offeror Group's most important core businesses and most important strategic focus. After the completion of the Offer, the Joint Offerors intend to retain the listing status of OOIL, and maintain OOIL's global headquarters functions and presence in Hong Kong and continue to support Hong Kong as a global maritime center. The Joint Offerors are committed to the continuity and stability of OOIL management team, business, operations, and global service network as a whole after closing of the Offer. As such, the Joint Offerors intend to keep the existing OOIL branding so that the Joint Offerors and OOIL can provide customers with more diversified product offerings and better service experience, as both parties explore ways to achieve synergies and better operational efficiency.

Further, while keeping OOIL management teams and global service network, the Joint Offerors shall retain the existing compensation and benefit system at OOIL and not terminate the employment of any Employee at OOIL as a result of this transaction for at least 24 months after the Offer Closing Date, except for staff movements which are part of the normal conduct of business or due to personal performance or conduct issues. OOIL shall continue its current human resources practice and staff performance measurement, and monitor key performance indicators for operational efficiency and business growth.

13. Maintaining the listing status of OOIL

The Joint Offerors intend to maintain the listing of OOIL Shares on the Stock Exchange following closing of the Offer.

There is a possibility that the public will hold less than 25 per cent. of OOIL Shares upon closing of the Offer depending on the level of acceptance. In that case, the Joint Offerors intend to take appropriate steps to restore the public float in compliance with the Listing Rules.

If less than 25 per cent. of OOIL Shares are held by the public or if the Stock Exchange believes (i) that a false market exists or may exist in the trading of OOIL Shares or (ii) that there are insufficient OOIL Shares in public hands to maintain an orderly market, the Stock Exchange may consider exercising its discretion to suspend trading in OOIL Shares. In such connection, the Joint Offerors and OOIL undertake to the Stock Exchange to take appropriate steps to ensure restoration of the minimum percentage of OOIL Shares to public hands within a specified period which is acceptable to the Exchange.

The Joint Offerors do not intend to exercise any rights to compulsorily acquire any OOIL Shares in respect of which the Offer is not accepted.

14. Effect of accepting the Offer

By validly accepting the Offer, Qualifying OOIL Shareholders will sell to the Joint Offerors their tendered OOIL Shares free from all liens, charges, encumbrances, rights of pre-emption and any other third party rights of any nature and together with all rights attaching to them as at the Offer Closing Date.

15. Irrevocable undertaking

As at the date of this announcement, COSCO SHIPPING Offeror, COSCO SHIPPING Holdings and China COSCO SHIPPING have entered into an irrevocable undertaking with the Controlling Shareholder which agreed to tender, or procure the tender of, all of the IU Shares being 429,950,088 OOIL Shares owned by them in favour of the Offer (representing approximately 68.7 per cent. of the issued share capital of OOIL as at the Last Trading Date). Further information on the Irrevocable Undertaking is set out in Part B of this announcement.

As at the date of this announcement, apart from the Irrevocable Undertaking, the Joint Offerors and their Concert Parties have not received any indication or irrevocable commitment from any OOIL Shareholder to accept or reject the Offer.

16. Confirmation of financial resources

Assuming that the Offer is accepted in full, the financial resources required by the Joint Offerors to satisfy the consideration payable under the Offer will amount to approximately HK\$49,231.2 million. As at the date of this announcement, COSCO SHIPPING Offeror is financing the entire amount of the consideration from external debt financing, SIPG Offeror will contribute its portion of the consideration as set out in the section headed "Consortium Agreement - Allocation Proportion" below from external debt financing and/or internal resources, in which case COSCO SHIPPING Offeror's contribution to the consideration will reduce proportionately. UBS, financial adviser to the Joint Offerors, is satisfied that sufficient financial resources are available to COSCO SHIPPING Offeror to satisfy full acceptance of the Offer.

17. Hong Kong stamp duty

Seller's ad valorem stamp duty at the rate of 0.1 per cent. of the value of the consideration arising on acceptance of the Offer will be payable by the Qualifying OOIL Shareholders who accept the Offer insofar as their shares are registered on the Hong Kong Branch Register of OOIL. The relevant amount of stamp duty payable by the relevant Qualifying OOIL Shareholders will be deducted from the consideration payable to such Qualifying OOIL Shareholders under the Offer. Each of the Joint Offerors will bear its own portion of buyer's ad valorem stamp duty at the rate of 0.1 per cent. of the consideration payable in respect of relevant acceptances of the Offer and will be responsible to account to the Stamp Office of Hong Kong for all the stamp duty payable for the sale and purchase of the relevant OOIL Shares which are validly tendered for acceptance under the Offer.

18. Overseas shareholders

The making of the Offer to Qualifying OOIL Shareholders who are citizens, residents or nationals of jurisdictions outside Hong Kong may be subject to the laws of the relevant

jurisdictions. Such Qualifying OOIL Shareholders may be prohibited or affected by the laws of the relevant jurisdictions and it is the responsibility of each such Qualifying OOIL Shareholder who wishes to accept the Offer to satisfy himself/herself/itself as to the full observance of the laws of the relevant jurisdiction in connection therewith, including the obtaining of any governmental, exchange control or other consents, or filing and registration requirements which may be required to comply with all necessary formalities or legal or regulatory requirements and the payment of any transfer or other taxes due from such Qualifying OOIL Shareholder in such relevant jurisdictions.

Any acceptance by any Qualifying OOIL Shareholder will be deemed to constitute a representation and warranty from such Qualifying OOIL Shareholder to the Joint Offerors and OOIL that all local laws and requirements have been complied with and that the Offer can be accepted by such Qualifying OOIL Shareholder lawfully under the laws of the relevant jurisdiction. Qualifying OOIL Shareholders should consult their professional advisers if in doubt.

In the event that the despatch of the Composite Document to overseas Qualifying OOIL Shareholders is prohibited by any relevant law or may only be effected after compliance with conditions or requirements that are unduly burdensome, subject to the Executive's waivers, the Composite Document will not be despatched to such overseas Qualifying OOIL Shareholders. The Joint Offerors will apply for such waivers as may be required by the Executive pursuant to Note 3 to Rule 8 of the Code at such time.

19. Settlement of consideration

Settlement of the consideration under the Offer will be made as soon as possible, but in any event within seven business days (as defined in the Code) of (i) the date of receipt of a complete and valid acceptance in respect of the Offer or (ii) the Offer Unconditional Date, whichever is the later.

20. Interests in OOIL Shares and derivatives

As at the Latest Trading Date, the Joint Offerors and their respective Concert Parties do not have any interest in OOIL Shares. By reason of being the financial adviser to the Joint Offerors, UBS is presumed to be acting in concert with the Joint Offerors in accordance with class 5 of the definition of "acting in concert" in the Code. Details of holdings or borrowings or lendings of, and dealings in, the OOIL Shares or any other relevant securities (as defined in Note 4 to Rule 22 of the Code) by other parts of the UBS group will be obtained as soon as possible after this announcement has been made in accordance with Note 1 to Rule 3.5 of the Code.

There have been no dealings by the Joint Offerors or any of their respective Concert Parties in the 6-month period prior to this announcement.

As at the date of this announcement:

- (b) there is no existing holding of voting rights and rights over OOIL Shares in respect of which the Joint Offerors or any of their Concert Parties holds convertible securities, warrants or options (save for those entities controlling, controlled by or under the same control as UBS that are exempt principal traders or exempt fund managers);

Undertaking by COSCO SHIPPING Offeror

If SIPG Offeror does not have sufficient financial resources to complete the Offer according to its proportion of allocation of OOIL Shares to validly tendered acceptance as set out above due to it not obtaining the requisite SAFE approval for the relevant funds to be remitted from the PRC to pay for its portion of the consideration under the Offer, COSCO SHIPPING Offeror undertakes to complete the Offer in full as if it were the sole offeror for the Offer and for the purposes of this announcement.

PART D: GENERAL

1. Independent Board Committee and independent financial adviser

The Independent Board Committee comprising Mr. Simon Murray, Mr. Chow Philip Yiu Wah, Professor Wong Yue Chim Richard, Mr. Cheng Wai Sun Edward and Mr. Kwok King Man Clement has been established for the purpose of making a recommendation to the Qualifying OOIL Shareholders as to whether the Offer is fair and reasonable and as to acceptance.

The Independent Board Committee comprises all the independent non-executive OOIL Directors who

have no direct or indirect interest in the Offer, other than as an OOIL Shareholder. The Independent Board Committee excludes the non-executive OOIL Director, Professor Roger King, who is connected to the Controlling Shareholder. Professor Roger King is the brother-in-law of Mr. Tung Chee Hwa who has an interest in a trust which has an indirect interest in the Controlling Shareholder.

An independent financial adviser will be appointed by OOIL, subject to the approval of the Independent Board Committee, as soon as reasonably practicable to advise the Independent Board Committee in relation to the terms of the Offer. The advice of the independent financial adviser will be contained in the Composite Document. The appointment of the independent financial adviser will be announced separately.

2. Implications under the Listing Rules for COSCO SHIPPING Holdings

As the highest applicable percentage ratio in respect of the Offer exceeds 100%, the Offer, if materialised, will constitute a very substantial acquisition for COSCO SHIPPING Holdings under Chapter 14 of the Listing Rules.

An extraordinary general meeting of COSCO SHIPPING Holdings will be held to consider, and if thought fit, pass the resolutions to approve the Offer. A circular containing, amongst other things, details of the Offer will be despatched to COSCO SHIPPING Holdings Shareholders on or before 30 November 2017 as additional time is required to prepare the information in the circular.

To the best of the knowledge, information and belief of the directors of COSCO SHIPPING Holdings, having made all reasonable enquiry, the Controlling Shareholder and their ultimate beneficial owners are third parties independent of COSCO SHIPPING Holdings and its connected persons.

The directors (including the independent non-executive directors) of COSCO SHIPPING Holdings believe that the terms and conditions of the Offer and the transactions contemplated thereunder are fair and reasonable and in the interest of COSCO SHIPPING Holdings Shareholders as a whole. China COSCO SHIPPING has irrevocably undertaken to OOIL to procure COSCO Group to vote all of its COSCO SHIPPING Holdings Shares (currently being 4,645,229,644 COSCO SHIPPING Holdings Shares) in favour of the resolutions in respect of the Offer at the extraordinary general meeting of COSCO SHIPPING Holdings. As at the date of this announcement, COSCO Group holds approximately 45.47% of the issued share capital of the COSCO SHIPPING Holdings.

3. Other regulatory implications

The Joint Offerors and OOIL will together take all necessary steps, including the Joint Offerors taking any accommodation and mitigation actions, to procure the approval or clearance by the Committee on Foreign Investment in the United States in relation to the Offer.

4. Dealings disclosure

In accordance with Rule 3.8 of the Code, associates (including persons holding 5 per cent. or more of a class of relevant securities (as defined in Note 4 to Rule 22 to the Code)) of OOIL and the Joint Offerors are hereby reminded to disclose their dealings in OOIL Shares pursuant to the requirements of the Code.

In accordance with Rule 3.8 of the Code, reproduced below is the full text of Note 11 to Rule 22 of the

Code:

“Stockbrokers, banks and others who deal in relevant securities on behalf of clients have a general duty to ensure, so far as they are able, that those clients are aware of the disclosure obligations attaching to associates and other persons under Rule 22 and that those clients are willing to comply with them. Principal traders and dealers who deal directly with investors should, in appropriate cases, likewise draw attention to the relevant Rules. However, this does not apply when the total value of dealings (excluding stamp duty and commission) in any relevant security undertaken for a client during any seven day period is less than HK\$1 million.

This dispensation does not alter the obligation of principals, associates and other persons themselves to initiate disclosure of their own dealings, whatever total value is involved.

Intermediaries are expected to co-operate with the Executive in its dealings enquiries. Therefore, those who deal in relevant securities should appreciate that stockbrokers and other intermediaries will supply the Executive with relevant information as to those dealings, including identities of clients, as part of that co-operation.”

WARNING: as the making of the Offer is subject to the satisfaction or waiver of the Pre-Conditions, the Offer is a possibility only and may or may not be made. It depends on the satisfaction or waiver of the Pre-Conditions. Accordingly, OOIL Shareholders, COSCO SHIPPING Holdings Shareholders and prospective investors are advised to exercise caution when dealing in the securities of OOIL or COSCO SHIPPING Holdings.

Closing of the Offer is subject to the Conditions being fulfilled. Accordingly, the issue of this announcement does not in any way imply that the Offer will be completed. The transactions contemplated by the Offer may or may not proceed. OOIL Shareholders, COSCO SHIPPING Holdings Shareholders and prospective investors are advised to exercise caution when dealing in the securities of OOIL or COSCO SHIPPING Holdings.
